

CB350

**BOLD  
ALONE  
BOLDER  
TOGETHER**

HONDA

The thunderous power, the fearless stance, the exhilarating rush of the open roads - a legend rises, CB350, where tech-meets-bold riding, with its timeless style and brave presence, it's your trusted sidekick. Gear up to charge with the 2025-ready OBD-2B standards. Where others hesitate, you prefer exploring uncharted paths, you ride bolder together over every stretch of road with your CB350 as the ultimate ally, subtly asserting your bold voice to the world of whisperers at every mile. So, it is your time to take the roads with CB350, Bold alone, Bolder together.

## Bold & Strong Stance

Embark on a journey where retro charm converges with commanding boldness. Meticulously designed, the CB350 is a fusion of artistic finesse and unbridled strength.

## Full LED Headlamp and Tail Lamp with Fire Ring Type LED Winkers

Light up your route.

Illuminate your journey with these circular full LED headlamps and fire ring-type LED winkers, adding a touch of class to your ride.

## Front Suspension Cover & Long Muffler

Timeless Aesthetic

Elevating its strong and massive stance, the front suspension proudly wears metallic covers on its upper part. The long chrome muffler serves as the authentic soul of the CB350's retro design.

## Powerful 350cc Engine

Take the roads with power.

Unleash the power of 350cc air-cooled, 4-stroke OHC single-cylinder engine for exhilarating acceleration and riding pleasure.

## Assist Slipper Clutch

Seamless control, effortless riding.

Experience effortless clutch control with the assist function and prevent rear wheel hopping while downshifting with the slipper function.

## Robust Tank Aesthetic

Fueling Passion

Ignite your enthusiasm and experience the raw might beneath your grasp with the bulky tank design of the CB350, exuding an unmistakable aura of strength and dominance.

## Roaring Exhaust Note

Thump it up.

Your CB350 emits a distinctive throb, creating a rich and distinctive exhaust note.

## Split Seat

Retro meets massive.

The split seat design gives a retro touch and provide the ultimate comfort for both the riders.

## Long and wide Fenders

Crafted with precision.

Stay stylish and clean with these retro fenders that are reflection of timeless aesthetics designed to shield you from dirt and debris.

## Honda Selectable Torque Control (HSTC)

Powering your ride with enhanced security.

The HSTC system maintains tire-to-surface traction, preventing slips and enhancing control.

## Honda Smartphone Voice Control system (HSVCS)\*

Take command of your ride.

HSVCS\* links your phone to the bike via Bluetooth, allowing you to handle calls, read messages, play music, navigate, and check the weather. It can be easily operated by a handle-mounted switch unit supported by voice prompts.

## ESS (Emergency Stop Signal)

Always keeps you safe.

Honda's emergency stop signal not only keeps you safe but extends its protection to fellow riders on the road.

## Engine Start/ Stop Switch

Power at your fingertips.

The CB350 is equipped with an engine start/stop switch for added convenience, allowing the rider to start and stop the engine with a simple flick of the same switch.

## Hazard Switch

Safety in flash.

Flashing indicator lights provide a crucial safety feature for emergency stops and low visibility situations.

## Side Stand with Engine Inhibitor

Stand bold, ride on.

No looking down to check your side stand, a glance on your meter is enough. Additionally, the inhibitor function restricts the engine from starting if the side stand is down.

## Dual Channel ABS

Always in control.

The CB350 boasts dual-channel ABS, featuring a large 310mm front disc brake and a 240mm rear disc brake to maintain control even in emergency braking situations.
